

It's ALMOST time for Band Camp!

We need parents to help at Band Camp; to keep our students hydrated, cool, and get them uniformed. If you can spare a few hours, the band kids need you! Below is the schedule for Freshman, Varsity and **Mass (everyone!!)** band camps. Please sign up for at least one shift. If you have any questions about camp, please contact Lorrie Kurfman at kurfman@cox.net or 896-6686.

Thanks for supporting the Millard West Wildcat Band!!!

Water Tent – Set up portable tents, fill water jugs and take water out to fields and to the drum line. Water tent volunteers stay at the water tents during their shifts to help the band directors with students needing assistance and help get water ready for breaks. Bring a good book.

Uniform Fittings – Each student needs to be measured and fitted for a band uniform. Volunteers are needed to check in students, measure, fit for alterations, and record uniform numbers. We also order band polo's, shoes and sweatshirts during uniform fittings.

Uniform Alterations – Volunteers are needed to hem pants and sleeves on band uniforms. This is all done by hand.
